

REQUEST FOR LETTER OF COMPLETION

A request for a letter of completion will NOT be processed unless:

- You are a doctoral student and you have submitted your final dissertation or recital recording to the Graduate School.
- **ALL** information is filled out below, including requested contact information and Graduate Program Director signature.
- Your reason for request is one of the three reasons listed below.

Masters students and Doctoral students who have not yet submitted their final dissertation or recital recording to the Graduate School who need a letter of completion must obtain the letter from their Graduate Program Director.

There is NO immediate turn-around time for these letters; students should allow at least one week for the request to be processed once a properly filled out form is received by the Graduate School. Only one letter per student is given.

Students who have already been cleared for their degree (the degree is posted to their university record) will not be given a letter, as the student can obtain an official transcript from the Registrar that has the degree posted to it. (<http://ws.cc.sunysb.edu/registrar/transreq.htm>)
